## Pastor's Corner

### St. James School Reopening Continues

We are so excited that since February, St. James School has gradually been reopening. Our **TK class** has been on campus for a long time, but February brought back our **Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> graders** and on **March 1<sup>st</sup>, grades 3-5 returned**. As soon as we enter into the Red Tier—hopefully this weekend we will welcome back our 6<sup>th</sup>—8<sup>th</sup> graders as well.

**Our teachers have excelled** through the pandemic bringing quality creative lessons to our students as they stayed at home since last March. They have stepped up to the challenge now to continue our high standards of learning with the mandated options for students of either In-Person classroom learning or At-Home distance learning creating a hybrid education opportunity that includes both groups in this shared model of school.

Our teachers are real heroes in meeting the challenge of a new education system during the pandemic. We also thank our school principal, **Mrs. Noreen Maricich** for her wonderful leadership of our school families.

**Our school parents and families have been great** this past year as they have had to make all the adjustments and sacrifices to support the school curriculum for their children at home.

We expect the beginning of **sports at school** to begin with the Red Tier, which will be a welcome opportunity for our children. All of this is such a great sign of the beginnings of normalcy returning to our community and the return of **'life' at school is a real blessing**.

**Registration for new students** is now underway for next year and we are getting more new families registering than we normally see. They show a **real desire to become part of St. James** for our faith formation and superior quality of education that we provide, giving our children a tremendous advantage for life.

**We are praying** that by the next school year we will be able to return to a more 'normal' style of education for all of our children in the classroom by all of us continuing to stay safe.

Blessings,

*Msgr. Mike  
Fr. Emmanuel*

**Q:** The *Catechism*, as part of a larger discussion, characterizes prayer as:

*“The raising of one’s heart and mind to God.”*

What are some of the other aspects of prayer that offer insightful, comforting guidance?

**A:** In our *Choral Praise* songbook there is a section called “Petition & Prayer” where we find humbly inspirational songs of worship and spiritual longing. These are beautiful songs that offer searching hearts the notes to sing as they seek a greater awareness of the nearness of Christ. This music engenders the kind of virtuous hope that lifts souls to, *“see God’s face in places we’ve never known.”*

Composer David Haas contributes with the hymn, “Jesus, Come To Us.”

*“Jesus, come to us, lead us to your light.  
Jesus, be with us, for we need you.”  
Lord we come before you, listen to our prayer,  
Fill us all with hope and your love.”*

*The Almanac for Pastoral Liturgy Sourcebook*, referring to the Lenten Season of prayer reminds us:

“During Lent the whole Church responds to the call of the Lord to be reconciled with each other and with Christ Jesus. The practices of prayer, fasting, and almsgiving offer opportunities to all the faithful to make Jesus’ call to repentance a personal journey in these forty days.”

Our pastoral leader, Monsignor Mike, continues to shepherd St. James Parishioners along the ways of the holy efficacy and righteousness of prayer. One way our Pastor leads in this area is by offering the kind of spiritual reading that the Church encourages as proper and necessary personal enrichment. His latest gift to us is Matthew Kelly’s book, *I Heard God Laugh*.

Kelly’s book describes the daily habit of prayer that helps us, *“to develop a deep unwavering peace about who we are, where we are, and what we are doing.”* It’s a book that offers both common sense and wondrous insight.

Prayer, as Kelly says, *“brings our lives into focus.”* Thank you, Monsignor, for this book and for the continued insight into matters of spirituality that truly contributes to the kind of petition and prayer that helps to “raise our hearts and minds to God.”

## Religious Education

Dear Friends and Families of Saint James,

Thank you to all the families around the parish who are participating in our **Feed the Needy Drive!**

For those who don't know, the Feed the Needy Program provides lunches to the hungry in our community every Monday, Wednesday, and Friday at 1pm, helping the parish live out our call to love and serve God by loving and serving one another.

This year, the Religious Education program is joined in its efforts by all those who work with children in our parish, including:

**Sunday School**  
**Children's Liturgy of the Word**  
**Preschool**  
**Saint James School**  
**Mom's Group**  
**Confirmation and Youth Ministry**

Drop offs begin this week outside the Office of Religious Education on Tuesday and Wednesday from 10am-5pm. Any group is welcome to use our drop bins if that is easier for your family. If you have any questions, please feel free to call the office at **310.379.3221**.

**Parents of First Communicants**, next Sunday, **March 21**, will be our final gathering to help your family prepare for your child's First Communion. All families are expected to attend this session, which will include **Mass-A-Walk-Through**.

This Mass is a special one, where Msgr. Mike will walk us through the Mass, stopping to explain the parts of the Mass as we go along. Mass will be followed by a brief **practice** and a **faith formation session** that will introduce the **Family Banner Project**.

Remember, this session replaces all four of the final sessions for First Communion preparation, so **it is essential that all families attend on March 21 from 1:15-3:30 on the St. James School Field**.

As we enter this fourth week of Lent, may you and your family experience a deeper awareness of the love of God reaching out to you through the Sacraments, through nature, and through one another! God bless!

God bless!

*Andrea Sullivan,*  
Director of Religious Education

## Saint James Niland Scholarships

Dear Friends and Families of St. James,

The last two weeks have brought positive changes to COVID numbers in Los Angeles.

Our hope is that soon we will be out of the purple tier and into the red. As the numbers drop and more people become vaccinated the beginning of next school year looks hopeful.

We have begun to work on the calendar for next year; **our opening day** will be **Tuesday, August 24<sup>th</sup>**. It is too soon to predict what the Health Department Protocols will be that far in the future but know that we will keep you updated, and our goal is to have students on campus.

For the rest of this year we have a combination of **In-Person Learning and Distance Learning**.

We are accepting registration for the 2021- 2022 school year. New Student registration is available on our website [SJScatholicSchool.org](http://SJScatholicSchool.org). Please email the school [office@sjscatholicSchool.org](mailto:office@sjscatholicSchool.org) or phone **310.371.0416** to schedule a Virtual tour or a meeting with the principal.

God Bless you,  
*Noreen Maricich*  
Principal, St. James School

*My Jesus, I believe that You  
are present in the Most Holy Sacrament.*

*I love You above all things,  
and I desire to receive You into my soul.*

*Since I cannot at this moment  
receive You sacramentally,  
come at least spiritually into my heart.*

*I embrace You as if You were already there  
and unite myself wholly to You.*

*Never permit me to be separated from You.  
Amen.*

## Gospel Meditation

Is there something to Lent that goes beyond our own spiritual house cleaning and spiritual refinement?

Yes, there is!

It has to do with listening and learning so that we can take up the task of the Gospel with greater clarity and fortitude. While the spiritual refocusing of Lent is necessary, the fruit of this Lenten conversion has much more to do with learning how we can be a better Church than it does about our eternal salvation. Salvation is a gift that flows out of God's unconditional Mercy and cannot be merited. The spiritual maturity we can experience as a result of our Lenten disciplines serves to reduce the anxiety and apprehension we may experience as messengers of good, but very challenging, and unsettling, news.

St. Oscar Romero said that, *"a church that doesn't provoke any crises, a gospel that doesn't unsettle, a word of God that doesn't get under anyone's skin, a word of God that doesn't touch the real sin of the society in which it is being proclaimed, what gospel is that?"*

When we listen to those descriptive and provocative words, do they resonate with anything in our experience? As messengers of the Gospel, we are called to bring an unsettling message to the world. If our main concern is protecting our self-interests, then we are missing something huge!

Many really struggle with being rejected, dismissed, or perceived as someone who is speaking out of turn. There is a counter cultural message that must be preached that clearly sides with the poor, marginalized, victimized, oppressed, neglected, disregarded, and lost souls throughout the world. There is a widespread misery among the peoples that is all too often allowed to fester with no one coming forward to offer a change or resolution.

The Church can speak to the needed structural changes that will allow people to earn just wages, feed their families and share abundantly and equally in the gifts of God's good earth. Such a vision is not some optimistic fairy tale, but the vision of the Creator himself. Lent reminds us, as St. Oscar Romero also states, that, *"we are workers, not master builder, ministers, not messiahs. We are prophets of a future not our own."*

We are not called to labor simply for the benefit of the here and now but of the "what is to come." Our myopic vision can be replaced by a more far reaching Lenten vision that is much greater and deeper in scope. As long as we are carrying the right blueprints with us and our thoughts extend beyond ourselves, then even the little things we do and the simplest prayer we utter go a long way. They give witness to our preference for the light of Christ and not the darkness of error and sin. ©LPi

## House of Yahweh Community Service Saturday

**Saturday, March 20<sup>th</sup>**, is  
Community Service Saturday at  
The House of Yahweh's South Bay  
Outreach Center.

On this day we are accepting donations of **protein supplements**, such as Ensure and Glucerna, which we give to our clients who need these products to maintain proper nutrition. Many of our older clients and those with health issues like cancer, diabetes and other serious health challenges need a protein boost and the added nutrients provided by these supplements to stay well. The costs of the supplements often are far too high for someone with an extremely limited income. You can help by adding a package of a nutrition/protein supplement to your grocery order the next time you go shopping.

**Donations are accepted between 9a.m. and 1p.m. On March 20<sup>th</sup>** at our Marine Avenue Gate located at 4046 Marine Avenues in Lawndale, CA. Or, you may drop off donations between **10 am and 4 pm** at the office. If you have time on Mar. 20<sup>th</sup>, we could use a few volunteers to help receive donations and other support tasks to help our neighbors in need.

Please call **Donna Quirk** at **310.675.1384** if you have time to volunteer.

## Into the Breach

Inspired by Bishop Olmsted's vision, the Knights of Columbus and the Diocese of Phoenix have joined together to produce a 12-episode video series, also titled Into the Breach. Each episode focuses on a different aspect of authentic Catholic masculinity and features interviews with well-known Catholic commentators and follows the personal story of a man whose life illuminates each theme.

The series can also be used for individual reflection and a study guide is available. By joining together in brotherhood, men receive the support they need to grow in virtue and to take action to serve Christ and others.

We hope that this series help you and all of us to step into the breach. To preview the video:

## A Companion for your Journey

As we walk with others who hurt and ache, we as Stephen Ministers pray that our hearts will be warm with compassion and understanding.

Call **310.541.1403**, a confidential, dedicated phone message line.

It's normal to grieve a pregnancy loss, including the loss of a child by abortion. It can form a hole in one's heart, a hole so deep that sometimes

it seems nothing can fill the emptiness.

You are not alone... <https://hopeafterabortion.com/>

## Spiritual Adoption

Daily prayer for a period of nine months:

*"Jesus, Mary and Joseph, I love you very much. I beg you to spare the life of the unborn baby that I have spiritually adopted who is in danger of abortion."* -

Prayer of Archbishop Fulton J. Sheen

Your prayers CAN make a difference between whether a baby will be born...or aborted. Our prayers can also be a form of spiritual support for both of the parents. Please share the love of life given to you by the Lord of all life and join in spiritually adopting a baby.

Protect those who are most at risk.  
Give comfort to those who have lost a loved one.  
Welcome those who have died into your eternal home.

Stabilize our communities.  
Unite us in our compassion.  
Remove all fear from our hearts.  
Fill us with confidence in your care.

Jesus, I trust in you. Jesus, I trust in you.
