## Pastor's Corner

### Dear Friends and Families of St. James, Update on the School Theft Investigation

Recently some families at the school received a notice from the U.S. Department of Justice telling them that the St. James School case is currently under investigation by the FBI. It said that a criminal investigation can be a lengthy undertaking and they were planning to provide an update on the status of the case shortly.

Last week that update was sent to us. It said, "We are currently negotiating an agreement with Sister Mary Margaret Kreuper in which she would enter a plea of guilty and accept responsibility for the theft of funds from St. James School between approximately 2008 and 2018. A plea would result in a final resolution of this criminal matter without the necessity of going to trial."

While the information provided is brief, it does let us know that progress is being made and hopefully a resolution is getting closer. We ask your continued prayerful support for our school families, students and teachers, the Department of Justice personnel working on our case, the Sisters of St. Joseph of Carondelet, and Sisters Mary Margaret and Lana.

Please accept my apologies that the theft continued for so many years, even before my arrival, without ever being discovered. I pray that in the coming months we can begin to find healing and consolation in the power of God's mercy for us.

*Msgr. Mike*

### Fr. Emmanuel's Farewell

Next week we will be bidding Fr. Emmanuel farewell at all the Masses. Due to COVID restrictions on large gatherings of people as well as food service restrictions, sadly we are not able to have any kind of formal reception.

Fr. Emmanuel will be at all the Masses next Saturday/Sunday to say goodbye and you will have a chance to greet him with your own thanks.

Fr. Emmanuel has been at St. James since September, 2018 and we have been blessed so much by his presence here. We know he will be missed!

He is being assigned to a parish in the Diocese of Springfield, Missouri. We will share the details of his assignment once he has arrived there and can give us his contact information.

Maybe you grew up Catholic  
Maybe you think of yourself as Catholic  
Maybe you haven't been to church in awhile.  
Or you are worried that you won't be welcomed here.  
And maybe it feels awkward and scary  
to take that first step.. Questions.  
Doubts. Yearning. But not  
sure for what. We get it.  
We've been there.  
Now we are here.

Maybe God is calling you, too.  
Just as you are.  
Welcome home.

## Gospel Meditation

We often act out of ignorance. Armed with the best of intentions, we think we are seeing clearly and correctly, but we are not. We don't always understand the full meaning of things and only perceive part of the truth. Hence, our judgments and actions can be impaired by myopic, incomplete or erroneous perceptions. The meaning of life, understanding of human experience, and negotiating life's challenges can all become skewed without proper understanding and vision. The resurrection of Christ is the corrective to our incomplete and limited view of life. Looking at things with the eyes of faith brings a depth of clarity and understanding to how we see God, ourselves, others, and the world.

Even the disciples struggled with their limited understanding and ignorant perceptions. It was only when Jesus opened their minds to understand the Scriptures that their eyes were opened. It was their "aha" moment when everything clicked. We all want the substance of our lives to come together, make sense, and have meaning. This is easier to achieve when things are going positively, and life is good. It is when suffering, disappointment, death, hardship, and injustice enter the picture that things can become unsettled and disoriented. Our faith in the goodness and love of God is tested. We tend to shift our focus on these difficult and challenging moments and do not see them within the greater picture of how God intends life to unfold. We can gain, from the passion and resurrection of Christ, the clear vision we need in order to move away from ignorance to enlightenment.

We need our "aha" moment when everything comes together and clicks. It can come in a fleeting instant when we feel totally connected with God, where we find ourselves, others and all of creation. It is a moment when all is right and good, regardless of how difficult our journey. Our "aha" moment assures us that God is here, right with us, in us and around us bringing us a gift and blessing we can receive nowhere else: peace. In those brief sacramental encounters when we are lifted up out of ourselves and centered, we can hear God say, "peace be with you," and we feel secure. It's all okay. The resurrected Christ has the power to bring this gift to us. Some people, as they are facing their deaths, remark about this peace. When looking into the window of eternity, they experience a depth of joy and are amazed at God's goodness and closeness. We are called to be witnesses to this Good News.

Dear Friends and Families of St. James,

We welcomed back both our "Roomers" (in Person) and "Zoomers"(distance learners) after Easter break. We also welcomed back on campus a few more families who opted to return to in person learning. Los Angeles has moved into the Orange Tier and new protocols for schools were released.

There were a few minor changes to social distancing, but masks and precautions are still in place as we continue to keep the health and safety of students and staff at the forefront. We are happy to have students on campus and doing so means everyone must remain cautious and vigilant.

Our **Spring Opportunity Drawing** is available for all friends of SJS school. Fundraising is an essential component of the budget of a Catholic School and the pandemic has made this a little more challenging. The Spring Raffle with tickets and cash prizes is one of the simplest to participate in and we invite you to participate. **The drawing will be held at our school assembly on April 28<sup>th</sup>.** The flyer is in this bulletin.

We are **accepting registration** for the 2021- 2022 school year. New Student registration is available on our website **SJScatholicSchool.org**.

Please email the school office@sjscatholicSchool.org or phone 310.371.0416 to reserve to schedule a meeting with the principal.

God Bless you,

**Q:** Can the ordering and use of word rhythms, utilizing simple verse offer perspectives to a consideration of a journey of faith?

**A:** *The Catechism* is a summary of what Catholics follow and truly believe, Sacred tradition, the Mass, pastoral guidance, trinitarian salvation, we gladly receive.

Now it's the year of our Lord 2021,  
We celebrate transformative joy in the risen Son.  
Easter, the "crowning truth of Catholic faith", a  
miraculous season,  
For he is not here among the dead, he has risen!

Raised on the third day we bear witness to life,  
Not the same rising as Lazarus or a daughter of Jairus,  
His is a return to a divine and heavenly life;  
a glory that renews us.

From Lenten stillness, fasting, praying, giving of alms,  
making things right,  
Witnesses of the holy and moving vigil that responds to  
the call of the Exsultet,  
The paschal candle has marked the sanctification of  
Jesus, he who is the light.

Now we are living another "Year of Grace",  
our liturgical year,  
Traditionally born amid the anticipatory wonder of a  
season of Advent,  
We pray with confident hope, abiding of a creed that  
casts away fear.

We walk with scripture, tradition, sacraments,  
the Mass, on our own road to Emmaus,  
Reflecting the *Catechism*,  
a story of hearts bursting within us,  
longing for healing,  
*"Your words are spirit and life,  
O Lord; life everlasting",*  
it's all about a faith, unyielding.

## Spiritual Adoption

Daily prayer for a period of nine months:

*"Jesus, Mary and Joseph, I love you very much. I beg you to spare the life of the unborn baby that I have spiritually adopted who is in danger of abortion."* -  
Prayer of Archbishop Fulton J. Sheen

Your prayers CAN make a difference between whether a baby will be born...or aborted. Our prayers can also be a form of spiritual support for both of the parents. Please share the love of life given to you by the Lord of all life and join in spiritually adopting a baby.

## Religious Education

Happy Third Sunday of Easter, Friends and Families of Saint James!

Just as the joy of the Easter cannot be contained in a single day, we hope that the joy of our parish children who are receiving the Sacrament of the Eucharist for the first time spills over into the St. James community!

This weekend and next weekend, we celebrate First Communions during our parish Masses, and we hope that we may all be filled with renewed awareness of the gift we receive in the Body and Blood of Christ.

Please keep the children and their families in your prayers.

Congratulations, First Communicants!  
May God bless you!

Most merciful and loving God,  
We come to you in our weakness.

For you alone are our hope.

We place before you the pandemic present in our world.  
We turn to you in our time of need.
