## Pastor's Corner

### Celebrating Lives Lost Since Beginning of COVID

One of the very difficult experiences of these last 16 months has been the trauma of trying to care for loved ones in hospitals or care centers when no visitors were allowed. The heartache of separation was immense.

Even more difficult has been trying to mourn the loss of a loved one. It didn't matter whether the death was from COVID or not. With hospitals and retirement centers on lock-down, they all died alone, with only the overworked medical staff trying to give them comfort.

With mortuaries over-loaded, churches often closed, attendance restrictions everywhere, travel restrictions, self-quarantining, masks, cemeteries overwhelmed and funeral delays for weeks, and even months, our inability to honor and respect our loved ones tore our hearts open and deepened our sense of loss. This has not been easy.

It is so important for us now to take the time to honor all of those who have died since the beginning of COVID in March, 2020. On the weekend of **September 25, 26** we will remember our loved ones at all of our Masses that weekend.

Beginning now, we will create a **Wall of Remembrance** in the church to honor our parishioners, family members and friends—from anywhere in the world—who have died during the pandemic. We are asking you to e-mail

photos to us of those who have died and they will be printed and honored on our Wall of Remembrance leading up to our parish celebration.

Please see the bulletin announcement regarding how to submit your photos and the information we need.

Blessings,

*Msgr. Mike and Fr. Thaddeus*

During these long months of COVID, many parishioners found themselves mourning the loss of a loved one without the ability to gather as a community and receive comfort in the rituals of our faith. Because of this, we would like to honor those who have died since March of 2020 in our Masses over the weekend of September 25 and 26.

As part of this Memorial Weekend, we would like to create a wall of remembrance with photos of those who have died. If you lost a family member or friend during this time of COVID, we ask that you share a digital copy of a photo of your loved one, as well as the following information with the Parish Office by contacting **Jeannie Haworth** at [jeannie@stjamesparish.org](mailto:jeannie@stjamesparish.org) or by calling **310.372.5226**.

- Name of your loved one or friend
- Relationship (parishioner, family or friend of parishioner)
- Date of the death
- Was this a COVID or non-COVID death?

We will begin creating our wall inside the church in August, so please feel free to share photos and information about those who were dear to you who have died as soon as possible. Thank you, in advance, for allowing the parish to mourn with you and to celebrate the lives of those we have lost.

## Respect Life Ministry

Your help is urgently needed to **stop mail order abortion!**

Sign the petition to stop the FDA from removing health and safety standards required for the distribution of the dangerous Chemical Abortion Pills aka RU486. Before these pills are prescribed, women are required to visit a doctor to determine gestational age and rule out ectopic pregnancy. Lifting standards would endanger not only the life of the preborn baby but also the woman's life and allow her to purchase by mail without a doctor's exam. Go to **ThisIsChemicalAbortion.com** to sign and watch a short 5-part docuseries.

## Would You Like to Complete Your Sacrament?

Are you a baptized Catholic, but have not yet received the Sacrament of Confirmation? If so, contact us about becoming a candidate to complete your Sacraments of Initiation (Baptism, Eucharist, Confirmation).

If you have not received your First Holy Communion, this class will prepare you to do that as well.

Our Fall, 2021 series of classes is scheduled to begin on **Thursday, September 9, 2021**. To receive further information and details on this process, please contact Deacon Bob & Patty Miller or call us at **310.371.0985**.

If you know of someone who may benefit from this process, please feel free to pass this information along to them.

Maybe you grew up Catholic  
Maybe you think of yourself as Catholic  
Maybe you haven't been to church in awhile.  
Or you are worried that you won't be welcomed here.  
And maybe it feels awkward and scary  
to take that first step.. Questions.  
Doubts. Yearning. But not  
sure for what. We get it.  
We've been there.  
Now we are here.

Maybe God is calling you, too.  
Just as you are.  
Welcome home.

## Join the Catholic Daughters of America

Our in-person meetings began in May, also shown on Zoom for those who could not attend.

We were able to do our Retreat and to celebrate Our Blessed Mother's crowning in person on May, 19th.

We donate generously to several charitable causes. Members give their time, energy and support to help others in the service of Christ. CDA members enjoy each other's company at their **monthly meetings held on the third Wednesday of each month at Kavanagh Hall.**

At this time, **we are inviting all Catholic women** of all ages from all surrounding parishes who are dedicated to Church and country to join our Court. Before each meeting we start by saying the holy Rosary.

We have various functions throughout the year to help raise funds for the different charities we support.

Aside from the National charities we support St. James Homeless, Ronald McDonald, Children's Hospital and various others. **If you are looking for a Catholic women's group to join, we are the one!**

## Religious Education

Dear Friends and Families of Saint James,

Our registration for the 2021-2022 school year is open on the Religious Education page of the parish website, **SaintJames.Church/RE**. The website is also where you can find the weekly **Faith @ Home** resource, which is based upon the Sunday Scriptures we hear at Mass, as well as the **Partners in Faith** summer calendar of family activities. We hope these resources help you as you raise children of faith.

As we look to next fall, we also seek new Catechists. Pope Francis said in a homily in 2013, "Who are catechists? They are people who keep the memory of God alive; they keep it alive in themselves and they are able to revive it in others. This is something beautiful: to remember God..."

If you feel called to this formal role of sharing our faith with others as a memory keeper of God, please contact the Office of Religious Education at **310.379.3221** or email us at [religioused@stjamesparish.org](mailto:religioused@stjamesparish.org).

The Religious Education Program has Catechists who serve in many areas, including in our Religious Education classes, our Sunday School program, and our Children's Liturgy of the Word program.

Our community needs your gifts. Please consider how the Holy Spirit is calling you to serve our parish during the coming school year.

The Office of Religious Education is now closed until August 15, but we will be checking emails and phone messages once a week. Please reach out if you have questions about registration or becoming a Catechist, and we will be in touch.

Have a great summer, and God bless!

*Andrea Sullivan,*

Director of Religious Education

## Catholic Q and A

J.P. Alegria

**Q:** The Saint James Choir sings a song inspired by scripture called *"Peace Is Flowing Like A River."*

The song describes *"setting captives free...peace... flowing out of you and me."*

What additional guidance and inspiration can be found in the Bible, the *Catechism*, and other Church teachings about the virtuous, fruitful gift of Peace?

**A:** This week's readings from the Book of Chronicles brought to mind that song about peace. We know that

Chronicles is layered with the genealogies of ancestral houses, busily ministering in the house of the Lord. Among those names of succession is the name that evoked thoughts of that Choir song. It's a name associated with divine appointment, power, wealth, and wisdom. It's the name of a man whom Biblical scholars say may be found in scripture by three or more different names. One of those names is Solomon, said to be a derivative of the word, peace.

Pope Benedict taught that peace was, *"...both a gift and a task that calls every Christian to tireless peace-making to which we unflinchingly contribute."*

St. Augustine wrote that *"peace is the calm that comes from order."*

In a catechesis on the Beatitudes Pope Francis said, *"peace is a manifestation of the grace received from Christ."*

From the *Catechism*, here are three excerpts: *"Peace is not merely the absence of war. Peace is the work of justice and the effect of charity. Blessed are the peacemakers..."*

There is much to ponder about peace, flowing like a river from the ancient days of Solomon. We recognize the Hebrew word Shalom and it's multiple meanings including hello, goodbye, and as Pope Francis defines it: abundance, prosperity, and well-being. It's a level of peace that scholarship defines as marked by a covenant of reconciliation with God.

There's also John's Gospel where Jesus says, *"Peace I leave you, my peace I give to you,"*

and so much more to examine and appreciate about the topic of spiritual peace.

May we indeed have peace in our days, and may peace be with you.

And, as we respond during the Eucharistic celebration that is the Mass: *"And with your spirit."*

## Gospel Meditation

St. Oscar Romero said, "We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something and to do it very well. It may be incomplete, but it is the beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest."

There were a group of ladies many years ago who made quilts. They were beautiful creations reflecting inspirational designs artfully composed from the simple scraps of fabric each woman would bring to their individual pieces. There was no plan for the finished

project as each finished work became the combined creation of what each woman contributed. They

abounded in vibrant colors and dazzled the beholder with intricate patterns and their myriad textures. They were so beautiful that they became coveted family treasures passed from generation to generation. Those women never realized the power of their work. Countless babies rested in the comfort of those quilts warmly nestled in the legacy of tradition they were fortunate to inherit. They adorned countless homes with their beauty and brought joy and solace to many faces.

We cannot do everything. We are not meant to. Our work in life is to contribute our individual piece, a piece that reflects the unique thumbprint I claim as my own. We only have to do small things well. Then, as St. Oscar Romero reminds us, the Lord's grace will enter and do the rest. We have to trust that this is true just as those women trusted in the eventual beauty of their final work.

Eucharistic blessings are blessings that start small and multiply. We all come to life with only a few loaves of bread and a few fish. Not any single one of us has all that it takes to transform our world. Who knows what God will do with the little we have and how many will benefit from our kindness, compassion, wisdom, courage, conviction, love, warmth, zeal, faith, and hope? That young lad never dreamed that his few leftovers would do all that they did. God shows up in unexpected ways! Where would life's adventure and fun be if it were any other way? Being able to be part of bringing God's creative, transforming, healing to the world opens us up to wonder, awe, and excitement! We can all bring our little piece to the bigger work of God that can result in being a coveted jewel passed generation to generation. This is good news indeed! Bread and wine transform into Christ's Body and Blood and we become what we eat. Trust that.
