

St James
Catholic Church

OUR FAITH.

OUR FUTURE.

Pastor's Corner.

Dear Friends and Family,

Last Sunday, Bishop Marc Trudeau of our San Pedro Region of the Archdiocese, celebrated the Noon Mass with us. Our Masses called us to Respect Life and were highlighted by the Rose Procession celebrating the sacredness of life. We thank Linda Houston and her ministry committee for organizing the day and all the participants who brought up the roses at each Mass. The sacredness of life is something that our culture has lost sight of and we, too, need to celebrate and reaffirm our lives and the stewardship of life entrusted to us.

Bishop Marc's visit was to celebrate with us the Blessing and Dedication of our new property. Even though we closed escrow on the property last June, it never felt totally 'ours' until this weekend. What we have often referred to as the 'former South Bay Christian Church' and the 'Korean Church' are no longer. They are now our St. James Community Campus. The buildings still need names, but for now, maybe the 'chapel' and 'formation center' until we get a better sense of how we will best use them.

I have heard some questions about why is St. James 'expanding' our property. It is a term I, too, have used. In reality, while St. James school will remain where it is, we are 'consolidating' the rest of our property and facilities to a unified campus. The Preschool will remain where it is, but everything in the other buildings will eventually be moved to the new property. It is a process that will happen gradually over a number of years and what will happen with the rest of the property on the east side of Pacific Coast Highway will most likely be decided by the next generation.

This gift of being able to consolidate to a unified campus will become over the years, one of the most significant events in the life of St. James. It will take a real generosity of heart from each of us, but what we are doing now is transformative for us and the future of the parish.

God bless you as we work and dream together to continue to build the Body of Christ here in this place.

Msgr. Mike

The OUR FAITH. OUR FUTURE.

Campaign requires the generous support of every parishioner— Through time, talent, and treasure.

We need your participation as a Campaign Ambassador, in the months of January and February, for our Phone-A-Thons to maximize the outreach to all of our parish families.

Campaign Prayer

Loving Father, for over 125 years, St. James Church has grown through the efforts of many generations.

We have become a community rich in diversity of cultures and opened our hearts to value the uniqueness of each person.

We have become a family united by Christ.

We thank you for the opportunity we now have to expand our facilities, to create a safe environment for our families to grow and worship.

The gift you have given us is to provide for ourselves and for the generations of families who will thrive in faith through our efforts.

We ask your Spirit and guidance to create in us the overwhelming generosity we need.

Inspire in each of us generous hearts to make our vision a reality.

We ask all in the name of Jesus who is our hope and our joy. Amen.

Campaign Progress

Money Raised in 5 –Year Pledges as of Jan. 21, 2020

THIS IS HOW FAR WE'VE COME!

To date we have raised **\$2,775,338** toward our \$5 million goal. We extend our deepest gratitude to our current campaign donors who have helped to raise 55% of our campaign goal.

HOW TO PARTICIPATE

We will invite each and every one of you to participate in this journey! There are teams of dedicated volunteers who will be reaching out to you over the next few weeks as well as pledge events. You should have received a mailing this past week with additional information about the Campaign and ways you can contribute. When a volunteer contacts you, please accept their invitation or call with an open heart so they can share with you more about our Campaign and how you can get involved.

Donor Spotlight

As active members of St. James parish and school, we immediately saw the value in acquiring this property.

The increased safety of having a more unified campus, along with the amount of space available to foster and grow our ministries was the driving force behind our decision to give a sacrificial pledge.

We are honored to be a part of this campaign where we are giving back to our faith community and supporting the future of our parish. We encourage all parishioners to hear God's calling to grow His church through giving to this campaign, and we look forward to seeing the new campus come to life.

St. James Community Campus

The Opportunity

Since its founding in 1910, South Bay Christian Church ministered to Redondo Beach from the property across Vincent Street from St. James. In 2013, with an aging and declining membership of under 30, they decided to disband and deeded the property to their denomination, the Disciples of Christ. In 2019, after unsuccessfully trying to create a national ministry-development center, they decided to sell the property. Bidding against 8 developers who wanted to build condos, the Disciples determined they wanted the facilities to remain for religious purposes and accepted St. James' offer of \$9M. It was a hard decision to make for our Pastoral and Finance Councils because of the high cost, but the needs of our parish and opportunities it gives us was a priority.

Our main concerns are:

- **Safety**
- **Unified campus**
- **Parking**
- **Long term future of St. James' needs**

The Property

Formation Center: The familiar building we see on the corner of Vincent and Broadway is the old church/hall built in 1940 that South Bay Korean Congregation has rented for the last 21 years. Built in a traditional style of church above, and basement hall below, the building includes 2 classrooms, 2 offices, a large kitchen and conference/dining room, as well as a workroom and storage rooms.

St. James can begin to use the facilities for our Adult RCIA, Confirmation, Baptism and other classes. We plan to move our Sunday School program here where the children are closer to the church and hope to revive our Baby-sitting program here as well.

The Youth Ministry is also looking to create a youth center in the downstairs hall.

Parking Lot: The parking lot is a big addition to St. James giving us an additional 70 parking spaces. The entrance/exit is from Broadway.

Chapel: In 1964, South Bay Christian built a bigger church on the property which holds about 250 people. The nave/sanctuary area is about 1/3 larger than Kavanagh Hall. We still need to assess the best use and configuration of the space as chapel or auditorium. It has a meeting room in the choir loft area as well as a 'sacristy' area behind the altar with a 2nd floor work room with storage and a 3rd floor storage and equipment area.

Offices: On Broadway between the old and new church are two smaller buildings used as the church offices and library. We anticipate these will also be offices for us as we begin to move activities and programs to the site.

Education Building: The final building is an Education Building, also located between the old and new churches. This is a 3-story classroom structure. It was in the process of being renovated as a state-of-the-art educational facility for their new 'Hatchery' ministry-development program begun in 2014.

They had difficulty attracting participants and in 2016, after they had completed the demolition part of the project, they decided to delay the renovation and secure the building. It has 4 large classroom/meeting rooms which are designed with moveable partitions to create 8 smaller classrooms. Completion of this building will remain on hold as we focus our attention towards paying the mortgage on the purchase of the property. It will become our Religious Education center which will also be available for other meetings and ministries.
