Catholic Wills & Trusts Planning Seminar

As we have moved into the capital campaign it has sparked an awareness for a number of people that they need to take care of their own financial planning and want to know more about Wills and Trusts as well as Planned Giving.

God has given us a variety of ways to be responsible stewards of our time, talent and treasure. One of these ways is through proper Wills planning. Making an estate plan is a way for all of us to fulfill our obligation to be good stewards of the many blessings that God has put in our lives.

Life without a Will or Trust is difficult. Probate is costly and can take years to be resolved. If you do not have a current Will or Trust you and your family cannot have the peace of mind that comes with taking personal responsibility for your future. It is much better to review these plans when your life is relatively calm. Now is the time.

As a service to our parishioners, we have arranged a Catholic Wills Planning Seminar. The seminar will be given twice on **February 19, at 1 pm and again at 7 pm** in Kavanagh Hall. I believe this is an essential need for all of us and that anyone attending will benefit from this information.

Our presenters will be a representative from the Planned Giving Office of the Archdiocese of Los Angeles, an attorney and a financial advisor. If you already have a plan in place or you need to update a current plan, or would like to learn more about how you can help leave a legacy of faith to future generations, you will benefit from this educational seminar. This is a FREE seminar and no solicitations will be made.

To RSVP, please call the parish office at 310.372.5228 or email Office@SaintJames.Church to reserve a seat. I look forward to seeing you at the seminar.

Msgr. Mike

Campaign Prayer

Loving Father, for over 125 years, St. James Church has grown through the efforts of many generations.

We have become a community rich in diversity of cultures and opened our hearts to value the uniqueness of each person.

We have become a family united by Christ.

We thank you for the opportunity we now have to expand our facilities, to create a safe environment for our families to grow and worship.

The gift you have given us is to provide for ourselves and for the generations of families who will thrive in faith through our efforts.

We ask your Spirit and guidance to create in us the overwhelming generosity we need.

Inspire in each of us generous hearts to make our vision a reality.

We ask all in the name of Jesus who is our hope and our joy. Amen.
